First Amendment to the U.S. Constitution

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Judge Murray Gurfein, Pentagon Papers case, June 17, 1971:

"The security of the Nation is not at the ramparts alone. Security also lies in the value of our free institutions. A cantankerous press, an obstinate press, a ubiquitous press must be suffered by those in authority in order to preserve the even greater values of freedom of expression and the right of the people to know."

WEST ISLAND —
A day late and many dollars short.

Beth David, Publisher

Well, it's all here...all the spring events are happening fast. This weekend is jam-packed with fun stuff to do, next weekend is even more packed, and so it will stay for the rest of the play-outside season.

Unfortunately, the temperature and rain haven't gotten the memo. But I'm confident they can't win for long.

Soon I'll be complaining that it's too hot and my garden is too dry, right?

Meanwhile, enjoy what's happening this weekend. We've got indoor stuff, outdoor stuff, physical stuff, and stuff to watch. See page 3 for a start, and pages 5, 8, & 9 to see what's happening in surrounding communities.

This week's cover is about one of my favorite events, the Egg Hunt at Livesey Park (see page 12). Glenn got some great pictures to capture the spirit of the event. The threat of rain did not dampen the enthusiasm, although I suspect the ground was pretty damp.

We've got some meeting coverage for you this week, too. The Selectboard (page 4) is all ready for Town Meeting next week. Now I have to get ready for it.

Moon rocks were in Acushnet last week. No, really, real moon rocks (see page 19). How cool is that?

Coming up this weekend is the baseball opening day, the West Island 5K, the bike path clean-up, and all kinds of other stuff to get you outside. So thumb through and mark your calendars so you can take advantage of it all. Next Saturday is Town Meeting, a loooonnnngggg indoor meeting, so, chances are it'll be the sunniest and warmest day of the year. So, if you're a Town Meeting member, put your big-boy pants on plan to go to TM so we have a quorum. If you're not a TM member, get outside and enjoy. If you have a nice loud motorcycle, buzz around the parking lot a few times so they speed things up.

And please be sure to check out our advertisers, and what they have going on. Please tell them you saw their ads in the *Neighb News*.

Until next week then...see ya,

Selectboard changes health care policy for part timers

By Mary Macedo

Neighb News Correspondent

At its meeting on Monday, 4/22/19, the Fairhaven Selectboard discussed the appointment of members to committees, the upcoming Town Meeting and the town employee health benefits policy for part-timers.

Board member Robert Espindola told the board that the Economic Development Committee met last week and the new Planning Director, Paul Foley, attended the meeting. Mr. Espindola said that Mr. Foley offered a lot of insight and was very helpful.

Mr. Espindola also announced that the next Dog Park Committee meeting would be on May 7 at 7 p.m. at Town Hall. He said committee members wanted to make sure the public is aware of the meeting so more residents can attend and give their opinions on locations for a dog park.

The board also appointed Mr. Espindola to the South Coast Bikeway Alliance. Mr. Espindola recused himself from the discussion. In his letter of interest to be a formal member on the SCBA he stated that he has been an informal member for some time. He explained in his letter

that the SCBA is looking for funding for a feasibility study to create a bike trail connecting Fall River, Westport, Dartmouth, and New Bedford.

He also stated that to help get the funding, the neighboring cities and towns would like to see a Selectboard member from each town on the SCBA for support, and he would like to be that member.

The board also discussed and voted on the policy on health insurance for elected officials.

Town Administrator Mark Rees said that the new policy will state that there will be no health insurance for part-time town employees unless the current employee is already using the insurance, in which case he or she will be allowed to keep it.

Mr. Espindola explained that he agreed with the policy, but he said it should be that all current employees are grandfathered into the health insurance, whether they are using it or not, in case they need the insurance in the future.

A motion was made to approve the amended policy eliminating health insurance from part-time employees, but allowing all current employees to

be grandfathered in.

The motion passed unanimously with Mr. Murphy abstaining because he currently uses the town health insurance.

The board also discussed a few remaining articles for Town Meeting.

Mr. Rees stated that money for Article 5 needed to be added, to pay out the rest of the retiring Town Clerk's vacation and sick time, which would be \$14,000.

The board voted to add the money.

The board also voted to support roadwork for Billy's Way for \$60,445, Fir Street for \$96,185, and Brown Street for \$193,370.

Mr. Murphy also explained that the annual Town meeting will be on May 4 and the Selectboard will meet right before it to discuss final votes.

The board had a bit of a discussion about appointing one full member and one associate member to the Sustainability Committee.

The board received two letters of interest, one from Denise Barr and one from Karen Gent, both of whom were interested.

Mr. Murphy informed the board

Tour Guides

If you are interested in a fascinating piece of local history, come join us to pass this information to the hundreds of visitors who tour our facilities each year. The first Japanese person to live in the USA was a young boy named Manjiro who was rescued from a small island near Japan by the John Howland whaling ship from New Bedford in 1841. He was invited by Capt. William Whitfield to obtain his first schooling ever in the USA at the Old Stone School in Fairhaven which is part of the Manjiro Trail.

We of the Whitfield-Manjiro Friendship Society have been hosting visitors from around the world to the Captain's home (now museum) and the Manjiro Trail. We wish to invite you to join our efforts as we pass this unique piece of local history to those visitors who will join the 6,000+ who have made the journey to date.

Available to our volunteer tour guides are: complete instructions with demos, 20% discount at museum gift shop and "happy coat" uniform.

For inquiries and/or application, contact Gerry Rooney at the Whitfield-Manjiro Friendship House Museum, 11 Cherry St., Fairhaven, office tel. 508-858-5303; or home, 508-995-1219; or cell, 508-269-4659. Or e-mail Gerry@WMFriendshipHouse.org

The group will meet at the Buzzards Bay Coalition office (114 Front Street, New Bedford) at 9:45 A.M. to carpool to Marsh Island. Coalition educators will serve as guides to Marsh Island and explain its ongoing restoration, while John will help you find objects worn and transformed by the tides.

And...there goes another one

Getting the boats in the water is the ritual of the season. For the recreational boaters, launch day comes when the weather gets as warm as the captain likes it. For the commercial boaters, the calendar decides, and if the warm weather is a little late getting here, then so be it. The boat goes in when it's supposed to go in. In any case, pretty soon the waters around here will be dotted with all manner of boats, large and small, sail and motor, recreational and commercial. HAPPENINGS OVERTOWN

Exercise Tiger 75th

The City of New Bedford Veterans' Advisory Board will honor the 749 United States sailors and soldiers who lost their lives during the devastating April 28, 1944 attack on the United States military training operation, Exercise Tiger. Exercise Tiger was a D-Day dry run which was ambushed by a German E-boat flotilla and resulted in America's costliest incident of World War II, second only to Pearl Harbor. The surprise attack sank two American vessels and severely damaged a third. This year marks the 75th Anniversary of Exercise Tiger. It is the 30th annual commemoration in New Bedford.

A memorial ceremony is planned to honor the service members who perished in this incident on **Sat., 4/27, at 1:00 p.m. at the Exercise Tiger Memorial at Fort Taber Park, 1000 Rodney French Boulevard in New Bedford.** In case of inclement weather, the indoor ceremony will be held inside the Low Tide Yacht Club, also located at Fort Taber Park immediately adjacent to the Exercise Tiger Memorial.

The ceremony will include remarks by Mayor Jon Mitchell and guest speaker, Col. Don Cupple, Chief of Staff of the Massachusetts Army National Guard. Families of the late Louis Souza, Vincent Ricciardi, and William O'Connor, Exercise Tiger participants, will be recognized.

Additional participants will include the United States Army Brotherhood of Tankers, WWII re-enactors and local veterans organizations.

All veterans are invited to attend and are asked to proudly display their service insignia. Refreshments will be available inside the Low Tide Yacht Club following the service. For more information, contact Peter Clark, Chairman of the Exercise Tiger Service at peter.clark@newbedford-ma.gov.

Gardeners will be able to buy unusual perennials from member gardens, colorful and varied annuals, an array of popular geraniums and special coleus, striking succulents, heirloom tomatoes, herbs, ground covers, and boxwood cultivars from the Rotch-Jones-Duff House Garden.

The Club uses proceeds from the sale to fund community projects, including grants, scholarships, and maintenance of the gardens and greenhouse at the Rotch-Jones-Duff House and Garden Museum in New Bedford. The club has awarded more than \$40,000 over the past decade to small projects that promote gardening and conservation. Grants have been used to support food bank gardens, help school gardening programs, and create several butterfly gardens in the area, as well as other projects.

All Acushnet Library events are free and open to the public. The event will be held in our community room, on the library deck and lawn.

New this year: Touch a Tractor. A local farmer will provide a tractor on site for young visitors to check out.

Additionally, an Acushnet Community Health Nurse and Dietician will be on hand to offer Tick Talks and healthy recipes for fresh produce.

Hopefully, we will also have some live music provided by local students.

Author Event

Author Jane Healey will visit the Acushnet Public Library and share her Washington Post Bestseller, *Beantown Girls*, which chronicles the young women who staffed the Red Cross Clubmobiles in the later part of WWII. With much research Ms. Healey shares their stories as told through their numerous journals and diaries. Their bravery, compassion, strength and sense of humor in the face of constant danger were nothing short of extraordinary. This historical fiction novel is a wonderful account of the war from a female perspective.

Jane Healey left a career in high tech to become a freelance writer. Her passion for historical fiction became her new career when her debut novel, *The Saturday Evening Girls Club*, was published in 2017. Based on the true story of a group of Jewish and Italian immigrant women in Boston's North End at the turn of the twentieth century, the Amazon bestseller was hailed by Redbook as "a breathtaking ode to female empowerment and the American dream". With the release of *The Beantown Girls*, she continues to fulfill her dream of writing about lesser-known stories of women in American history.

This free event will be held in the Library Community Room at 232 Middle Rd, Acushnet, MA 02743.

Books will be available for sale and signing. This program is sponsored by the Friends of the Acushnet Public Library. Refreshments will be served.

that Ms. Barr's letter was submitted first. Mr. Murphy also read a letter of recommendation from Sustainability Coordinator Whitney McClees, suggesting that the board appoint Ms. Gent to the Sustainability Committee full-time because she has been attending all the meetings.

Mr. Espindola explained that normally he would agree to appoint Ms. Barr because her letter of interest was received first, but because of Ms. McClees's recommendation Mr. Espindola believed they should appoint Ms. Gent as the full member.

Board member Daniel Freitas disagreed explaining that they should appoint Ms. Barr as the full member because her letter of interest was received first.

Mr. Murphy agreed stating that he believes that they should go with their usual policy of appointing the person who shows interest first.

Mr. Freitas made the motion to appoint Ms. Barr as the full

member and Ms. Gent as the alternate member.

The motion passed 2 to 1 with Mr. Espindola voting against the motion.

The board also discussed the electricity aggregation agreement and some confusion by residents who have received letters.

The town entered into the program with a group of other towns three years ago to be able to negotiate electricity rates for residents.

Residents who have questions about the program or why they received letters, should call Mass. CEA (Community Electric Aggregation) 844-627-7232, or visit www.masscea.com

In another matter, the board voted to approve "no parking" signs on Reynolds Drive.

Hundreds brave threatening skies for annual egg hunt

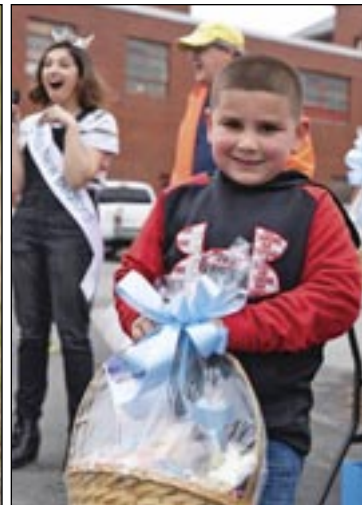

Hundreds of people braved the rains to hunt for goodies at Livesey Park on Saturday, 4/20/19, for the annual North Fairhaven Improvement Association Egg Hunt. The time got moved to 11 a.m. (from 9 a.m.) to avoid the morning rain. The threat of returning showers (rain came back

later in the afternoon) did not stop the Easter Bunny either.

Our roving photographer Glenn C. Silva was there to capture the many moments of joy the annual free event brings to so many. After the hunt was over, participants hung around for a bit to see if they won any of the many

raffle prizes donated by local individuals and businesses.

Acushnet selectboard & School Comm. re-appoint Boulay

By Pattie Pacella

Neighb News Correspondent

The Acushnet School Committee joined the Selectboard at its meeting on 4/23/19 to re-appoint Evelyn Boulay as the Old Colony School District Representative. The Selectboard members and the three School Committee members, Vice Chairperson, Jennifer Downey, Sarah Gomes and Craig Sumner, stated that Ms. Boulay has done a wonderful job, and has confirmed her interest in being re-appointed.

The Selectboard also heard from Building Commissioner Jim Marot who reviewed the Green Communities grants the Town has received over the last six years, and all the upgrading they have done in town

He said, except for 2014, the Town of Acushnet has received over \$125,000+ in grant funding each year, for a total of

nearly \$660,000. Mr. Marot said they have applied for \$244,000 in the next round, and that Acushnet was the second town in Bristol County to become a Green Community. He also said that if they are awarded the grant money this year, they will be working on the Middle School Lighting Project.

A discussion with Dan Menard from the Department of Public Works confirmed that Acushnet's trash pickup has been changed to Waste Management, which bought out Howland Disposal. Waste Management has taken over the Town's contract.

Selectboard member Kevin Gaspar, in reviewing the numbers, told Mr. Menard that something was not adding up. He said that the budgeted amount vs. the contracted amount was different. Mr. Menard said he did not have the information in front of him so he could not advise Mr. Gaspar on what

the discrepancies were from. Mr. Menard and Mr. Gaspar agreed they would review the paperwork and contract together.

In other business, the Selectboard voted to approve golf rate increases as recommended by the Golf Committee: approximately one dollar for their services, with no change to residential and junior golfer rates.

The Selectboard also approved a request from Les Dakin to air the documentary regarding the transmission of LNG DVD on channel 18.

The board also announced that on Monday, 4/29 at 5 p.m. in Town Hall, officials will hold a Town Meeting forum to review articles that will be voted on at TM in May. The public is invited, and the "mock" town meeting will run on Channel 18, and will be available online at <https://www.youtube.com/channel/UCQLn-V7X9rp0JdWXh445neQ>

Rain holds off for annual Easter sunrise service

The Interchurch Council of Greater New Bedford held its annual Easter Sunrise Service at Fort Phoenix in Fairhaven on Sunday, 4/21/19 at 5:55 a.m., with about 125 hardy souls who turned out under threatening skies. The rain held off, just barely, with no real sunrise to speak of. But the sky did lighten to mark the sun's rise behind the clouds. The rain started to drip a bit, just at the end of the service. With a quick reference to a "monsoon," about to move in, the Rev. David Lima suggested a quick exit to the crowd. *Photos by Glenn C. Silva. Find more of his photos on Instagram at @asttephoto*

Moon rocks visit Acushnet

Joe Cote of Acushnet, a NASA Solar System Ambassador, took telescopes, computers, lots of knowledge, and a couple of rocks and soil collected by the crew of Apollo 11 during the first moon walk 50 years ago to Acushnet Fire Station #1 on Friday, 4/19. Students of all ages got to ask questions, learn about the moon and even touch a moon rock. TOP LEFT: Mr. Cote talks

President could use some of that religion

A couple of letters, narratives or opinions have been published by the *Fairhaven Neighborhood News* in the last two weeks. Both were written by the same author and both were themed at bringing attention to where we all are on the Christian Religion calendar. It seems the author always gets busy with his pen during Christmas and Easter, two hallmark Christian events.

Detailed quotes and verses from the bible are always used as reference in supporting the education attempted.

There are many more religions in the world. The various sects of Christianity being one.

I refer to the phrase in describing various religions: "one river many streams."

All religions carry a moral guide to follow. If everyone followed this guide, the world would be a better place.

I wish the author would somehow direct his attempted effort to the current POTUS [President of the United States].

It seems there is no moral compass at the White House today.

Lying, infidelity, treating staff like fodder, bringing back the concept of prejudice and hate, and duping the US citizens is against any moral code of ANY religion.

Our POTUS is the human Teflon man...nothing sticks.

Here's a quote a from the novel written by Charles Dickens's novel *A Tale of Two Cities*: "It was the best of times, it was the worst of times."

My translation would leave out "the best of times" in describing the current political atmosphere in Washington DC.

It was AND is "the worst of times."

In my lifetime, there has never been an administration that is so corrupt in so many ways. It's an atmosphere that portrays a label of sacrilegious.

We need role models for the youth of this great country. The current POTUS is anything but that. To paraphrase an opening statement by a self help group...My name is Stephen and I am a liberal democrat.

Stephen C. Bender, Mattapoissett

Sheriff Hodgson's assertions are suspect

If you watch the April 10, 2019 southcoasttoday.com video of the 287g immigration hearing held at the Bristol County House of Correction (BCHOC), you will see Sheriff Hodgson describing MS-13 gang members, violence, drug dealing and gun trafficking.

The gangs are terrorizing communities throughout Massachusetts, according to the sheriff, yet; in the December 13, 2018 edition of the Boston Globe, U.S. Attorney Andrew Lelling reported his office's stunning takedown of MS-13 gang members as one of the biggest success stories of the last year. According to Lelling, MS-13 has all but been eradicated in the Greater Boston area, and his office was running out of MS-13 targets. (<https://www.bostonglobe.com/metro/2018/12/13/primer/WD2nvWGnwnW831K4aVfwaK/story.html>)

In light of what U.S. Attorney Lelling said: is Sheriff Hodgson willfully ignorant or just spending too much time at the White House angling for a job?

The sheriff was elected to manage

a jail, not promote irresponsible Immigration and Customs Enforcement policies that use impoverished migrants as bargaining chips. Law enforcement duties must be left to trained professionals.

Again, straying off topic, Hodgson alluded to "huge quantities" of opioids flooding our streets and his ongoing efforts to keep our communities safe. So, just what steps is the sheriff taking to keep us safe? Well let's examine that area.

With many incarcerated people suffering from substance use disorder (SUD), how many new treatment beds has the Bristol County House of Corrections set up for treating SUD? What is the effectiveness of treatment and associated rehabilitation? How are effectiveness of program/ rehabilitation activities monitored? Does staff recognize the signs and symptoms of

an impending suicide? What measures does the sheriff incorporate to prevent suicides among those he detoxes "cold turkey"? The medical literature says opiate/alcohol withdrawal without appropriate medical supervision can lead to death/suicide.

If the sheriff is serious about keeping the community safe, he must think long-term when addressing the opioid problem in his facility and use evidence-based techniques for fighting addiction, for example, tapering techniques and medication based treatments like Suboxone film strips that dissolve in 30 to 60 seconds and psychological support all help prevent suicide, ensuring a smoother transition back into the community.
